Use this to help you create the right side of your cereal box.

Characters:
List the main characters and write a paragraph about each one.

Setting:
Use complete sentences to tell where the story takes place. You may find that there is more than one setting in the story. For example, if you were using the story "Charlie and the Chocolate Factory," you might write:

The beginning of the story takes place in Charlie Bucket's very small house that he shares with his large family. Once Charlie finds the golden ticket and wins the contest, the rest of the story takes place in Willy Wonka's amazing chocolate factory. Be sure that you don't give away the ending of the story!
