

Data from Surveys

To take a survey, you ask different people the same question and record their answers. Heather asked her class, "What is your favorite flavor of frozen yogurt?" Here are her results.

Favorite Flavor of Frozen Yogurt		
Vanilla	////	4
Chocolate	### ////	9
Strawberry	///	3
Orange	/	1

We can see that Heather's classmates liked chocolate frozen yogurt the best.

Favorite Winter Olympic Sports		
Bobsledding	### //	
Curling	//	
Ice hockey	### ##	
Speed skating	///	

- How many people in the survey liked bobsledding the best? _____
- How many people were surveyed? _____
- According to the data, which sport is the favorite of most people? _____
- Number Sense** From the survey, do you know if people liked figure skating best? Explain.
