

So Many Decisions!

A sports store is holding an anniversary sale. As part of the sale, every 100th customer gets a chance to win prizes. Each selected shopper gets 15 minutes to fill a shopping cart with sporting goods and clothing. If the total price of the items is more than \$280 but less than \$300, the shopper keeps everything in the cart.

Here is a list of sporting goods and clothing. Place a check mark next to any item you would put in the cart. Then find your total.

Item	Price	Item	Price
<input type="checkbox"/> Baseball	\$ 4.99	<input type="checkbox"/> Bicycle	\$178.99
<input type="checkbox"/> Football	\$17.95	<input type="checkbox"/> Tennis racket	\$ 29.79
<input type="checkbox"/> Basketball	\$21.99	<input type="checkbox"/> Tennis balls	\$ 7.25
<input type="checkbox"/> Hockey puck	\$ 8.50	<input type="checkbox"/> Sweatshirt	\$ 16.99
<input type="checkbox"/> Baseball glove	\$34.99	<input type="checkbox"/> Shoes	\$ 41.50
<input type="checkbox"/> Running shorts	\$11.50	<input type="checkbox"/> Weight set	\$ 89.99
<input type="checkbox"/> Cycling gloves	\$16.00	<input type="checkbox"/> In-line skates	\$ 53.69
<input type="checkbox"/> Stopwatch	\$ 3.49	<input type="checkbox"/> Gym ball	\$ 1.99
<input type="checkbox"/> Football helmet	\$60.00	<input type="checkbox"/> Baseball bat	\$ 27.99
<input type="checkbox"/> Golf clubs	\$99.99	<input type="checkbox"/> Golf balls	\$ 14.50

1. What is your total price?

2. Did you win your items?

3. How did you decide which items to choose?
